# Dominando a Pronúncia do Inglês 01

Língua Inglesa

1. Lista de palavras.....	3
---------------------------	---

## Introdução

Os sons de **/b/** e **/p/** são muito semelhantes e produzidos pela mesma posição da boca. O som de **/p/** do inglês é diferente do nosso P do português. No início de palavras é explosivo. No final de palavras, é praticamente omitido com o fechar dos lábios.

# 1 - Lista de Sons
